### TECHNICAL DATA

|                               |                                        |
|-------------------------------|----------------------------------------|
| Matchcode                     | HE-088-N-ORANGE-ALU                    |
| Article name                  | Manual push button HE-088-N-ORANGE-ALU |
| Part number                   | A3 2165                                |
| Input voltage                 | 24 V DC                                |
| LED signs                     | Red = Alarm Green = OK                 |
| IP code                       | IP40                                   |
| Weight                        | 0.45                                   |
| Housing                       | die-cast aluminum housing              |
| Housing type                  | Aluminium                              |
| Colour                        | Orange (RAL 2011)                      |
| Housing width                 | 125                                    |
| Housing height                | 125                                    |
| Housing depth                 | 34                                     |
| Nominal working temperature   | 20                                     |
| Environment temperature range | -5 °C - 75 °C                          |
